WORK EXPERIENCE

CycleBar® Franchising Cincinnati, OH

A luxury boutique fitness studio dedicated to creating a unique and inspiring experience for their guests.

Freelance Graphic Design

Nov 2015–Present

Experience: I work under the creative director of an in-house marketing team, provide graphic solutions and ads for franchisee campaigns nationwide, maintain brand standards across marketing and franchisee presentations, create merchandise designs, templates, email headers, facebook graphics, and print ads.

BHDP Architecture Cincinnati, OH

An architecture firm that employs multi-disciplinary design teams to create holistic solutions for their clients. Their mission is to create design for people.

Environmental Graphic Design Team

Jan 2013–May 2013; Aug 2013–Dec 2013

Experience: I reported directly to the lead designer on a four-person environmental graphic design team, created design solutions and revisions from direction (both with and without oversight), worked with CADTools in scale, created client presentations, created production files for fabrication, matched PMS Colors, built prototypes, created sign schedules, ordered samples and test prints, worked with fabricators, and participated in on-site visits.

Sasaki Associates Boston, MA

An interdisciplinary planning and design firm that works locally, nationally, and globally. They shape the future of the built environment through bold ideas and new technologies, while looking at sustainability within economic, social, and environmental contexts.

Environmental Graphic Design Team

Mar 2012–June 2012

Experience: I worked on a three person design team, reported to the lead designer, created design solutions and revisions, worked with CADTools in scale, created client presentations as well as extensive executive summaries, created sign schedules and room schedules, worked with fabricators and printers, and designed wayfinding, branding, and environmental solutions.

Interbrand Cincinnati, OH

A global branding and packaging firm that prides itself on creating and managing brand values.

Packaging Design Team

Mar 2011–June 2011; Sept 2011–Dec 2011

Experience: I worked as member of two design teams and immersed myself in Interbrand's process, sketched for new projects, executed designs from start to finish, created presentations, designed in-office posters and displays, presented my own ideas and concepts, made revisions on other team members' concepts created package prototypes.

EDUCATION

University of Cincinnati Cincinnati, OH

College of Design, Architecture, Art, and Planning
Bachelor of Science in Graphic Design: Class of 2014

A Graphic Communication Design Professional Practice Program, alternating quarters of classroom study with work in the field of design.

St. Xavier High School Cincinnati, OH

A Jesuit college preparatory school that pushes students to be open to growth, be religious, be committed to doing justice, be intellectually competent, and be loving.
